

Notice of Caution and Information

This notice is for the general information of the public, our customers and business associates to inform and declare that, Teknovace Wood Coatings Private Limited (Teknovace) along with its directors, officers, employee, affiliates and agents, is an independent entity, duly registered and operating under appropriate Indian Laws and is carrying out its business in accordance with all the applicable laws. Teknovace is a lawful organisation with its own brand identity and market presence. Teknovace has not and does not intend to misrepresent or mislead any person into believing that Teknovace is linked to any other brand or entity, Indian or Foreign. Teknovace has always ensured compliance with all the applicable laws and is very aware and responsible towards sensitive issues of intellectual property rights and has a strict policy against misrepresentation and violation of intellectual property rights, irrespective of whether the said rights are it's own or belonging to a third party. Teknovace is a lawful business formed under appropriate Indian Laws and caters to its clients with products manufactured entirely through a proprietary process using proprietary technology and common industry-leading practices and technology.

It has come to our notice that false information and motivated rumours about Teknovace and its office bearers are being circulated leading to unwarranted publications. We would like to assure our valued customers and business associates that Teknovace has not and does not indulge in ethically or legally questionable activities. This is to affirm and declare that Teknovace and its office bearers are not involved with any other brand or entity and have never claimed the same.

We request our Customers to verify any such false claims or allegations with Teknovace and to inform us in case anyone is found spreading such false information. You may reach us at info@teknovace.com or call us at +91 9765069184.

For,

Teknovace Wood Coatings Pvt. Ltd.
